David,

Over the past few years, Parkside members have fished at your fishery on many occasions, either as a pleasure angler or on Parkside Club Matches.

I would like to pass on a few comments received from our members, the Fishery being well located and very close to Nottingham, and offering a variety of fishing methods makes it an ideal place for the match and pleasure angler.

Since opening, yourself and Mick have listened to suggestions from anglers regarding improvements, some but not all have been implemented, albeit at some expense. The co-operation received from yourself and Mick has been second to none and is much appreciated and long may it continue.

As the cost of fuel continues to rise you can look forward to more and more anglers using your fishery.

We at Parkside A/C are at present planning for 2012/13 and your fishery is high on the list.
